My Projects/Portfolio: jeremeejoseph.github.io

SKILLS

- **Computer Networking**
 - Familiarity in configuring **Cisco, Juniper**, and **Huawei** network devices
 - IP Addressing & Subnetting
 - Routing Protocol: **OSPF**
 - LAN Switching: **VLAN, STP, RSTP, MSTP**
 - Understanding of Network Architecture/Topologies
 - Thorough understanding of **OSI Model** and **TCP/IP**
 - Network Security: **ACL, AAA**
 - Familiarity with **Wireshark, VMware, VirtualBox**
- **Troubleshooting**
 - Electronics & Computer Hardware Servicing
 - Software Debugging
 - Windows OS, Linux
- **Programming**
 - **Python, C#**
- **Basic Web Development**
 - **HTML, CSS, XML**
- **Databases**
 - Microsoft Access, MySQL
 - Google Firebase for IoT

QUALITIES

- Adaptive
- Lifelong learner
- Problem solver
- Team-oriented
- Creative and Innovative
- Keen attention to detail
- Has humility to listen and learn
- Can work with minimal supervision
- Ability to multitask and prioritize assignments

EXPERIENCE

Computer Technician – Freelance

2020-Present

- Desktop, Laptop, and Mobile Phone Software & Hardware repair
- Fault Finding through multiple tests, parts replacement if necessary

Test Development Intern - Artesyn Embedded Technologies

Aug. – Dec. 2018

- Assisted in updating test programs (written in C#) for Automated Image Recognition (AIR) inspection machines to ensure all product defects are detected
- Assisted in the assembly of three inspection machines which consists of cabling, installation, and configuration of peripherals
- Helped in the deployment of two test machines into production within 3 months
- Performed troubleshooting on machine hardware and software to maintain production up time
- Assisted in documenting successful troubleshooting steps into knowledgebase
- Updated and maintained product inspection results into backup databases
- Provided daily reports through monitoring of production lines

ACHIEVEMENTS & AWARDS

- **Huawei Certified ICT Associate (HCIA-Routing & Switching)** Dec. 2020
- **Google IT Support Professional Certificate** Sep. 2020
- **Scrum Foundation Professional Certificate** Oct. 2020
- **Fortinet Network Security Associate (NSE-1 & NSE-2)** Jul. 2020
- **CompTIA IT Fundamentals (ITF+)** Dec. 2019
- **Juniper Networks Certified Associate (JNCIA-Junos)** Oct. 2019

TRAININGS / COURSES

- **CCNA v7 – Cisco Networking Academy**
 - Module 1: Introduction to Networks
 - Module 2: Switching, Routing, and Wireless Essentials (on progress)
 - Module 3: Enterprise Networking, Security, and Automation (on progress)
- **IP Addressing and Subnetting for CCNA, Basic Linux – MNET IT Academy**
- **CompTIA IT Fundamentals (ITF+ FC0-U61) - Udemy**
- **Huawei HCIA-R&S v2.5 MOOC – Huawei ICT Academy**
- **Open Learning: JNCIA-Junos – Juniper Genius Portal**

EDUCATION

TERTIARY

BS Electronics Engineering (B.S. ECE)

Batangas State University

2014-2019

Major in Information and Computing Technology

References are available upon request.

SECONDARY

The Lipa Grace Academy

4th Honorable Mention

2010-2014
