PROFILE

I am a recent graduate with a BS ECE degree with strong problem-solving skills, geared to support computer networks and future programmability.

EXPERIENCE

Internship - Support Engineering Dept.

Artesyn Embedded Technologies

August 22, 2018 - December 5, 2018

- Conducted preventive maintenance
- Performed troubleshooting on hardware & software
- Assisted in the assembly and deployment of test machines
- Assisted in the documentation of problem resolution steps
- Provided daily reports and monitoring of test machines
- Collaborated with other Engineering departments
- Updated and maintained backup database

EDUCATION

2014 - 2019 **BS Electronics Engineering (ECE)**
Batangas State University

2010 - 2014 **4th Honorable Mention**
The Lipa Grace Academy (TLGA)

ACHIEVEMENTS/AWARDS

Huawei Certified ICT Associate (HCIA-R&S)

- Valid since December 2020

Google IT Support Professional Certificate

- Valid since October 2020

Fortinet Network Security Associate (NSE-2)

- Valid since July 2020

CompTIA IT Fundamentals (ITF+)

- Valid since December 2019

Juniper Networks Certified Associate (JNCIA-Junos)

- Valid since October 2019

Computer Wizard of the Year 2014

- Awarded by TLGA

SKILLS

Computer Networking & Administration

- Familiarity in configuring Cisco, Huawei, and Juniper networking devices
- Associate-level Routing and Switching
 - VLAN, STP, OSPF, EIGRP, BGP, TCP/IP, OSI
- IP Addressing and Subnetting
- Troubleshoot utilities: Ping, Traceroute, DNS lookup, PathPing, Wireshark
- Familiarity with VMware, VirtualBox, Anydesk, TeamViewer
- Basic System Administration
 - Active Directory

Programming & Databases

- Python (Scripting, Neural Networks)
- Java, C#, MATLAB
- HTML/CSS
- MySQL
- Microsoft Access
- Google Firebase

Computer System Servicing

- Computer setup and build
- OS Installation, recovery, repairs
- Fault finding
- Parts replacement
- OS Support: Windows, Linux, Raspbian

TRAININGS

Google IT Support (Specialization)

- Technical Support Fundamentals
- The Bits and Bytes of Computer Networking
- Operating Systems: Becoming a Power User
- System Administration & IT Infrastructure
- IT Security: defense against digital dark arts

CCNA v7 - Cisco Networking Academy

- Module 1: Introduction to Networks
- Module 2: Switching, Routing, and Wireless

Juniper Open Learning - Juniper Genius

- Juniper OS, LAN & WAN

Network Fundamentals - Mnet IT
