My Projects/Portfolio: bit.ly/JJBBProjects

SKILLS

- Computer Networking
  - Familiarity in configuring Cisco, Juniper, and Huawei network devices
  - IP Addressing & Subnetting
  - Routing Protocol: OSPF
  - LAN Switching: VLAN, STP, RSTP, MSTP
  - Understanding of Network Architecture/Topologies
  - Thorough understanding of OSI Model and TCP/IP
  - Network Security: ACL, AAA, IPSec VPN
  - Familiarity with Wireshark, VMware, VirtualBox
- Troubleshooting
  - Electronics & Computer Hardware Servicing
  - Software Debugging
  - Windows OS, Linux
- Programming
  - Python, C#
- Basic Web Development
  - HTML, CSS, XML
- Databases
  - Microsoft Access, MySQL
  - Google Firebase for IoT

QUALITIES

- Adaptive
- Lifelong learner
- Team-oriented
- Hardworking and Patient
- Can work on-call / shifting
- Has humility to listen and learn
- Can work with minimal supervision
- Ability to multitask and prioritize assignments

EXPERIENCE

Computer Technician – Freelance   2020-Present
- Desktop, Laptop, and Mobile Phone Software & Hardware repair
- Fault Finding through multiple tests, parts replacement if necessary

Test Development Intern - Artesyn Embedded Technologies   Aug. – Dec. 2018
- **Assisted in updating test programs** (written in C#) for Automated Image Recognition (AIR) inspection machines to ensure all product defects are detected
- **Assisted in the assembly of three inspection machines** which consists of cabling, installation, and configuration of peripherals
- **Helped in the deployment of two test machines into production** just three months
- **Performed troubleshooting on machine hardware and software** to maintain production up time
- **Assisted in documenting successful troubleshooting steps** into knowledgebase
- **Updated and maintained product inspection results into backup databases**
- **Provided daily reports** through monitoring of production lines

ACHIEVEMENTS & AWARDS

- Huawei Certified ICT Associate (HCIA-Routing & Switching)   Dec. 2020
- Google IT Support Professional Certificate   Sep. 2020
- Scrum Foundation Professional Certificate   Oct. 2020
- Fortinet Network Security Associate (NSE-1 & NSE-2)   Jul. 2020
- CompTIA IT Fundamentals (ITF+)   Dec. 2019
- Juniper Networks Certified Associate (JNCIA-Junos)   Oct. 2019

TRAININGS / COURSES

- CCNA v7 – Cisco Networking Academy
  - Module 1: Introduction to Networks
  - Module 2: Switching, Routing, and Wireless Essentials (on progress)
  - Module 3: Enterprise Networking, Security, and Automation (on progress)
- IP Addressing and Subnetting for CCNA, Basic Linux – MNET IT Academy
- CompTIA IT Fundamentals (ITF+ FC0-U61) - Udemy
- Huawei HCIA-R&S v2.5 MOOC – Huawei ICT Academy
- Open Learning: JNCIA-Junos – Juniper Genius Portal

EDUCATION

TERTIARY	SECONDARY
BS Electronics Engineering (B.S. ECE)	The Lipa Grace Academy
Batangas State University	4th Honorable Mention
2014-2019	2010-2014

Major in Information and Computing Technology
